Chapter 11

Case No. 24-10755 (CTG)

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Parlement Technologies, Inc. ("Parlement") in the above-captioned chapter 11 case (the "Debtor") are filing their Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs (the "Statement" or "SOFA") in the Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

These Global Notes and Statements of Limitations, Methodology, and Disclaimer Regarding the Debtor's Schedules and Statement (the "Global Notes") pertain to, and are incorporated by reference in, and comprise an integral part of all of the Schedules and Statement. These Global Notes should be referred to, and referenced in connection with, any review of the Schedules and Statement.

The Debtor's Chief Restructuring Officer, Craig Jalbert, and his team Verdolino & Lowey P.C., prepared the Schedules and Statement with the assistance of their advisors and other professionals. The Schedules and Statement are unaudited and subject to potential adjustment. In preparing the Schedules and Statement, the Debtor relied on financial data derived from their books and records that was available at the time of preparation. The Debtor's management team and advisors have made reasonable efforts to ensure that the Schedules and Statement are as accurate and complete as possible under the circumstances; however, subsequent information or discovery may result in material changes to the Schedules and Statement and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtor does not undertake any obligation or commitment to update the Schedules and Statement. The Debtor team notes that the information and documentation they received from the Debtor's record systems when they were engaged shortly before the Petition Date was minimal. The Debtor understands that certain third parties are in possession of control of the Debtor's books and records, and while certain information and documentation has been voluntarily turned over, the Debtor has not received a complete set of its books and records, therefore demand has been made on a third party for turnover of all the Debtor's books and records. While the Debtor and its representatives have made extensive efforts and inquiries to receive all of the Debtor's books and records, the Debtor and its representatives are aware of significant data and records to which it has not been granted, including, but not limited to: contracts, bank statements, e-mails, general ledgers, and trial balances. The Debtor reserves all rights with respect to this issue.

The Debtor reserves all rights to amend or supplement the Schedules and Statement from time to time, in all respects, as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statement as to amount, liability, classification, identity of debtor, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Schedules or Statement shall constitute a waiver of any of the Debtor’s rights or an admission with respect to their chapter 11 case, including any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts and leases, assumption or rejection of contracts and leases under the provisions of chapter 3 of the Bankruptcy Code, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, or any other relevant applicable laws to recover assets or avoid transfers.

The Schedules, Statement, and Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtor or their affiliates.

1. Description of the Case. On April 15, 2024 (the “Petition Date”), the Debtor commenced a voluntary case under chapter 11 of the Bankruptcy Code.

2. Basis of Presentation. The Schedules and Statement are unaudited and reflect the Debtor’s reasonable efforts to report certain financial information on an unconsolidated basis. These Schedules and Statement neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of the Debtor.

3. Reporting Date. Unless otherwise noted in the specific responses, the Schedules and Statement reflect the Debtor’s books and records as of the close of business on April 14, 2024. The liability values are as of the Petition Date.

4. Current Values. The assets and liabilities of the Debtor are listed on the basis of the book value of the asset or liability in the Debtor’s accounting books and records. Unless otherwise noted, the carrying value on the Debtor’s books, rather than the current market value, is reflected in the Schedules and Statement.

5. Confidentiality. There may be instances where certain information is not included due to the nature of an agreement between the Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or to protect the privacy of an individual. The omissions are limited to only what is necessary to protect the Debtor or a relevant third party and will provide interested parties with sufficient information to discern the nature of the listing.

6. Accuracy. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtor should evaluate this financial information in light of the purposes for which it was prepared. The

Debtor is not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtor based on this financial information or any other information.

7. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtor. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtor to obtain current market valuations for all assets. As such, wherever possible, unless otherwise indicated, net book values as of Petition Date are presented. When necessary, the Debtor has indicated that the value of certain assets is “Unknown.” Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtor reserves all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statement.

8. **Unknown Amounts.** Claim amounts that could not readily be quantified by the Debtor are scheduled as “unknown.” The description of an amount as “unknown” is not intended to reflect upon the materiality of the amount.

9. **Excluded Assets and Liabilities.** The Debtor believes that they have identified, but did not necessarily value, all material categories of assets and liabilities in the Schedules. The Debtor has excluded the following items which may be excluded in their GAAP financial statements from the Schedules: certain accrued liabilities, including, without limitation, accrued salaries, employee benefit accruals, and certain other accruals, certain pre-paid and other current assets considered to have no market value. Other immaterial assets and liabilities may also have been excluded.

10. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have been sold, abandoned, or terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that those intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all of their rights as to the legal status of all intellectual property rights.

11. **Totals.** All totals that are included in the Schedules and Statement represent totals of all the known amounts included in the Schedules and Statement and exclude items identified as “unknown.” If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals.

12. **Currency.** All amounts shown in the Schedules and Statement are in U.S. Dollars, unless otherwise indicated.

13. **Other Paid Claims.** To the extent the Debtor has reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Debtor’s Schedules and Statement, and shall be enforceable by all parties, subject to Bankruptcy Court approval. To the extent the Debtor pay any of the claims listed in the Schedules and Statement pursuant to any orders entered by the Bankruptcy Court, the Debtor

reserves all rights to amend and supplement the Schedules and Statement and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

14. Setoffs. The Debtor may incur certain setoffs from customers and suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, customer programs, returns, warranties, refunds, and other disputes between the Debtor and their customers and/or suppliers. These routine setoffs are consistent with the ordinary course of business in the Debtor's industry, and, therefore, can be particularly voluminous, unduly burdensome, and costly for the Debtor to regularly document. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary-course setoffs are not independently accounted for, and, as such, are excluded from the Debtor's Schedules and Statement. Any setoff of a prepetition debt to be applied against the Debtor is subject to the automatic stay and must comply with section 553 of the Bankruptcy Code.

15. Debtor's Reservation of Rights. Nothing contained in the Schedules, Statement, or Notes shall constitute a waiver of rights with respect to this chapter 11 case, including, but not limited to, the following:

a. Any failure to designate a claim listed on the Debtor's Schedules and Statement as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on its Schedules as to amount, liability, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

b. The listing of a claim (i) on Schedule D as "secured," (ii) on Schedule E/F (Part 1) as "priority," (iii) on Schedule E/F (Part 2) as "unsecured priority," or (iv) listing a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection, or otherwise. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor's assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Bankruptcy Court, the Debtor reserves all rights to dispute and challenge the secured nature or amount of any such creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor's claim.

c. In the ordinary course of their business, the Debtor may lease equipment from certain third-party lessors for use in the daily operation of their businesses. Any such leases are set forth in Schedule G and any current amounts due under such leases that were outstanding as of the Petition Date is listed on Schedule E/F. The property subject to any of such leases is not reflected in either Schedule A/B as either owned property or assets of the Debtor nor is such property or assets of third parties within the control of the Debtor. Nothing in the Schedules is or shall be construed as an admission or determination as to

the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to any of such issues, including the recharacterization thereof.

d. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

e. The Debtor's business is part of a complex enterprise. Although the Debtor has exercised their reasonable efforts to ensure the accuracy of their Schedules and Statement, they nevertheless may contain errors and omissions. The Debtor hereby reserve all of their rights to dispute the validity, status, and enforceability of any contracts, agreements, and leases set forth on the Debtor's Schedules and Statement, and to amend and supplement the Schedules and Statement as necessary.

f. The Debtor further reserves all of their rights, claims, and causes of action with respect to the contracts and agreements listed on the Schedules and Statement, including, but not limited to, the right to dispute and challenge the characterization or the structure of any transaction, document, and instrument related to a creditor's claim.

g. Listing a contract or lease on the Debtor's Schedules and Statement shall not be deemed an admission that such contract is an executory contract, such lease is an unexpired lease, or that either necessarily is a binding, valid, and enforceable contract. The Debtor hereby expressly reserves the right to assert that any contract listed on the Debtor's Schedules and Statement does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code, as well as the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of section 365 of the Bankruptcy Code.
